# BEST COACH ON THE SIDE

We love to get smarter!

That's why we have invited one of the world's best J / 70 sailors **CLAUDIA ROSSI**, as regatta coach for this year's nationals.

Claudia will be at the port and on the water during the entire event. It is therefore possible to get tips, tricks and guidance both before, during and after the races at the highest level possible.

Claudia will share video, photos and good advice from Saturday's sailing to after-sail, and even hold a skipper meeting on Sunday morning.

**We can only get better!**
